## AIR QUALITY CONCERN

by Paul Crompton

ASTHMATICS and allergen sufferers in Weymouth could be at risk, as a government report found parts of the town contained harmful levels of air pollution.

Weymouth and Portland Borough Council have declared Rodwell Road (Boot Hill) as an Air Quality Management Area after

it exceeded government air quality standards for nitrogen dioxide levels.

The report earlier this year also found King Street was nearing the government threshold for dangerous quantities of the pollutant, which is generated through exhaust fumes.

Hill towards Wyke roundabout.

Weymouth Transport Package project manager, Chris Mercer, said: "In the Boot Hill area there is a decline in air quality at the moment and it is failing government standards."

"The transport package is going to improve air quality in both King Street and Boot Hill, which I believe has serious problems."

"First, if you reduce the standing traffic you reduce the amount of pollution in an area. The standing cars emit lots of exhaust fumes. So by reducing congestion and the time cars are stationary you can reduce pollution."

A Department of the Environment report on air quality standards stated there is evidence that exposure to nitrogen dioxide could increase the reactions of asthmatics to certain allergens.

Nitrogen dioxide inhaled at moderate concentrations may also cause inflammatory reaction in the lungs or may make people more susceptible to allergens, such as those from house dust mites or grass.

Nitrogen dioxide is mon-

## The best partnership in town

■ DOUBLE Olympic gold medallist Sarah Ayton OBE, who is based in Portland, was the star guest at a gathering of local business owners hosted by local marketing company **the bestofweymouthandportland**.

The event, attended by about 70 members and guests was held at the Moonfleet Manor Hotel to celebrate recommended businesses with a presentation of certificates and to announce the winner of the Best Health & Beauty Business 2009.

The occasion, attended by the Mayor of Weymouth and Portland, Councillor Anne Kenwood, and her escort son Chris Kenwood, also marked the launch of an exciting marketing partnership between **thebestofweymouthandportland** and the **View from Weymouth**.

Highlight of the evening was an interview with Sarah Ayton, who is already training hard for the 2012 Olympic sailing events, to be held in Portland, by Team Dorset's Gary Fooks, the Dorset 2012 legacy manager.

Sarah is pictured above showing off her two gold medals with Mr Fooks, Julie Wilson, owner of **the bestofweymouthandportland**, Councillor Kenwood, Mr Kenwood and Philip Evans, chief executive of View From Publishing Limited, publisher of the **View from Weymouth**.

**AFTER** spending most of his working life in Central London, Bernie Fallon moved to Lyme Regis in 2003 to be with his partner Rachel Thom.

Bernie set up his business Doodle Computers that he runs from an office in Charmouth and still spends two days a week in London where he works on a number of popular TV shows.

Closer to home Bernie is now in his third year as a retained fire fighter in Charmouth.

Bernie is also a trained musician and has been involved in musical theatre since the age of 15, even working on some professional productions.

Bernie, along with friend Maria Herbert, established his own theatre group, Marvellous Amateur Dramatics (MAD), earlier this year.

He is currently busy with rehearsals for MAD's first show "Summer Holiday" on which he is the Musical Director.

The show will be performed at Axminster Guildhall in February 2010.

**■ HOW does life in London compare to life on the coast?**

The one thing I sometimes get a bit frustrated with down here is that if you run out of milk after 11pm then you're stuck. Or when I used to smoke and you wanted to nip out and get cigarettes at 1am you couldn't. Tesco opening in Lyme is a bit of a godsend really because they stay open really late. The pace of life is a lot slower. People are a lot more chilled out and there is no pressure. When I go up to London I have to spend a couple of hours gearing myself up because the way of life is so much faster. Everyone has got somewhere to go and something to do and its high pressure all the time.

**■ WHAT are the best TV shows you've worked on?**

My favourite was Friday Night with Jonathon Ross because they always had a good mixture of guests and it was a good, fun production team. They are no longer my clients as Jonathon Ross set up his own production company and took the show with him.

**■ WHAT are the best musicals you've worked professionally?**

I would say 42nd Street was my favourite because I love all the big band swing music. I played on that when it was touring the country.

**■ WHAT made you decided to become a retained fire-fighter?**

When I moved down here everyone was really nice to me and went out of their way to help me feel settled and comfortable and I felt that I would like to give something back into the community. I thought the fire service would be quite a good way of doing that.

**■ WHY did you decide on Summer Holiday for**

I like the style of 60s music, and The Shadows aren't that bad either. It's a nice story, quite cheesy but a fun story and I think people will really enjoy it.

**■ WHO would you recommend the show to?**

I think it appeals to everybody really. You've got a nice simple story for younger kids to understand, you've got the music for lets say people in their 30s to 60s who remember and appreciate it. And for the older people there are no scares. We have a cast of good looking lads as well of course so all the ladies will love it. I don't think you could say that it targets a particular audience because it's a family show for everybody.

**■ WHAT shows would you like to do in the future?**

There are quite a few shows that I would like to do. One of them is "Rent" but I am not sure whether our small communities are ready for such a wild story. We have ideas on what we are planning on doing but I will just reserve that for a no comment at the moment.

**■ HOW are preparations going for next year's show?**

We are a strictly non-profit organisation so all the money that we make will go into this show and future shows and as such we need to do a lot of fundraising. Our next event is this Friday, December 11th where we have a Westlife tribute act, but they also do Take That and Boyzone and all sorts of things. My brother is in the band and they are coming down from Manchester for free to do the gig for us and help us raise money to put on the show.

**■ WHO would be your three dream guests at a dinner party?**

My first would be the drummer Buddy Rich. I'd like him at my dinner party so I could steal a few ideas from him and get some lessons because he is a legend. My second would be Freddie Mercury. Although I wasn't a great Queen fan when I was younger, I am now. I think that he was a tremendously talented man and I'd like to find out where he got his influences from. He was such a character that he would make the party quite wild. Finally it would be Stephen Fry because I love his intellect, he could entertain anybody.

**your first show?**

We had a committee meeting and put it to a vote basically. It was one of four potential shows. We shortlisted The Buddy Holly Story, Summer Holiday, Back to the Eighties and Disco Inferno. Summer Holiday got the majority vote and that's why we went for it.

**■ WHAT do you like about the show?**

I like the music. Cliff Richard gets such a bad press for his music but I think some of its really good. I don't know why all of a sudden people turned on him. I like the music and I like that era. I'm not a huge fan of rock and roll but

## Hope for air quality improvements

### ■ FROM page 1

itored using diffusion tubes, which enable an average measurement to be made after a period of four to five weeks exposure, and a chemiluminescent analyser, which gives "real-time" data.

WPBC have increased the diffusion tube monitoring locations along Boot Hill and King Street and have introduced new points for monitoring around the borough in conjunction with the Weymouth Transport Package.

Plans also include installing two "real-time" analysers for both nitrogen dioxide and particles to the bottom of Boot Hill. WPBC are collating data from 2009 to submit a detailed assessment for nitrogen dioxide to DEFRA in April 2010.

Once that report is finalised and agreed by DEFRA, the council will conduct a public consultation about the declaration of the mandatory air quality management area.

Tim Monro, Brief Holder for Environment and Sustainability, said it was clear the planned improvements under the Weymouth Transport Package for the 2012 Games would help alleviate congestion in this and other areas.

"In the case of Boot Hill, the borough council has been proactive in securing funding from DEFRA and Dorset County Council to install state-of-the-art air quality measuring equipment, and will also be working with the Highways Agency," he said.

"I look forward to seeing improvements in the air quality in the near future."

## Fresh look at the library

CHICKERELL Library will host the last of its three drop-in sessions showcasing its services for local people on Saturday, December 12th.

The event at the East Street site runs from 10.30am-11.30am.

Displays, information and free refreshments will be on offer while friendly library staff and volunteers will be on hand to help people make the most of their visit.

Chickerell Library manager Sharon Mitchell said: "This is a chance for local people to discover or rediscover what an amazing place the library actually is."

"As well top titles, we now have DVDs, magazines and computers with internet access. It doesn't matter if you have never been to a library before or haven't visited for years, why not come along and try us out."

"It is free to join. Just bring along proof of your name and address on the day and you can use your card at any of the county council's 34 libraries across Dorset."

■ WEYMOUTH and Portland Deputy Mayor Councillor Paul Kimber cuts a Christmas cake for veterans.

## Councillors urged not to cut support for veterans

by Harry Walton

COUNCILLORS are being strongly urged to resist cutting cash support for Weymouth's popular Veterans' Rendezvous events.

The council is facing a budget shortfall of more than £500,000 and many services and amenities are facing the axe.

Deputy Weymouth and Portland Mayor Councillor Paul Kimber said: "We get £10,000 from the Ministry of Defence towards holding the annual Veteran and Armed Forces Day.

"I feel it is important for this day and the regular monthly veterans' meetings to continue and not face financial problems which could be caused if the council cuts its support in the face of budget problems.

"Former service veterans, who have seen action in all sorts of conflicts, are coming to the day and rendezvous mornings from all over the country.

"These events have become part of Weymouth's heritage and are recognised internationally.

"It would be a desperate shame to lose them and we, the council, have to make sure that they continue."

Mr Kimber was speaking at the December Veterans' Rendezvous event in Weymouth Pavilion Ocean Room where he cut a special Christmas cake donated to the veterans by the Dorset Cake Company which also provided mince pies.

Among veterans enjoying the festive feast was 94-year-old Frank Cornick of the Royal Artillery and 86-year-old Ernie Erratt of the Royal Tank Regiment who remembered very different Christmas fare back in the 1940s.

Frank said: "The joints we used to get were more bone than meat, but we did get chicken and maybe beef at Christmas when the officers traditionally used to wait on

us."

Ernie said: "The cooks did their best and even scrounged a pig for us one Christmas but we never had anything like Christmas cake and mince pies. This is a nice gesture by Dorset Cake Company."

A bakery spokesman said: "It is great to be able to contribute to the Christmas Rendezvous each year and add to the festive fun."

■ VETERANS Ernie Erratt and Frank Cornick enjoy a mince pie.

## Vehicles will help residents to deal with crime and disorder

CRIME fighting vehicles are to be introduced into Weymouth and Portland in a bid to create a focal point for partnership work and community engagement within borough.

Residents are set to benefit in the new year from the Partners and Communities Together vehicles, thanks to funding from the Eastern and Western Dorset Crime and the Crime and Disorder Reduction Partnerships (CDRP), Dorset.

The vehicles will help Safer Neighbourhood Officers, Dorset Fire and Rescue Service and local authority officers to get out into neighbourhoods, to give practical help and advice on improving safety and reducing anti-social behaviour.

Each vehicle will be fitted with a DVD player and screen, so key multi-media messages can be shown, and the front seats can be turned around to face backwards allowing for informal meetings with members of the public.

CDRP Chair for the Western Division, Councillor Ron Coatsworth, said they

were an essential link and part of an exercise to ensure people understand what is being done to help them with difficulties and protect them from the consequences of crime.

"The vehicles will better enable our agencies to reach out and engage with our communities, with the clear objective of getting the community involved in issues to do with crime and disorder across Dorset.

"They will be an essential tool in encouraging communities to be an integral part of the partnership and contribute to achieving the high standards set in our Community Safety Plan."

The vehicles will enable partners from police, fire, housing, council, health and probation services better access to residents across the county. As a result, this will make it easier to engage hard-to-reach communities, particularly in rural areas.

Three vehicles have already arrived and are beginning to be used in Purbeck, Christchurch and West Dorset.

## Police seek witnesses after two assaults

A CHINESE takeaway manager has been viciously assaulted by two youths.

He refused to serve them because they had been causing problems, but they then punched and kicked the 31-year-old to the ground.

Police are now appealing for witnesses to the attack outside the Golden Bridge at Chiswell, Portland, which left the manager with facial injuries.

Sergeant Rachel Goodwin, of the Weymouth and Portland safer neighbourhood team said: "The two offenders had been causing problems and so they were refused custom and asked to leave.

"The offenders were particularly aggressive towards the proprietor and punched and kicked him to the ground as well as holding him in a headlock outside the takeaway. He sustained cuts and bruises to his face.

"This behaviour is unacceptable in our society and I need the public to help me to identify the two 16 to 17-year-old boys responsible.

"They were accompanied by two similar aged girls and I'd also like to speak with them as they will be able to help with my investigation into the assault.

"I'd urge anyone who has any information at all about this incident or about the identities of those present to call the police in confidence."

Witnesses and anyone with information should call Dorset Police in confidence on 01305 222222 or the free and anonymous Crimestoppers line on 0800 555111.

■ POLICE in Weymouth are also appealing for witnesses and information after a man was assaulted on a bus in the town.

The incident, in which three teenage boys repeatedly struck a 42-year-old man as he rode on the First Bus Company Number 1 bus from Weymouth Town Bridge to Victoria Square in Portland, happened at around 2pm on Saturday, December 5th.

Police Constable Nick Gravenor, of Weymouth police, said: "The victim was sitting at the back of the bus - near three boys of around 16 or 17 years of age - and he had just pressed the 'stop' button as he neared Portland Square.

"Without provocation, the three teenagers then punched the victim to the head and the face and this caused the man to lie on the floor as he shielded himself from their attacks.

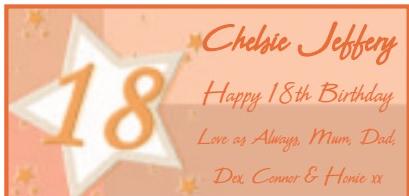

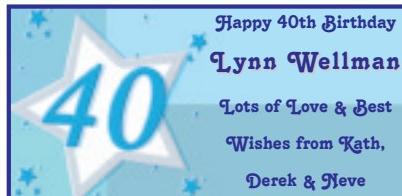

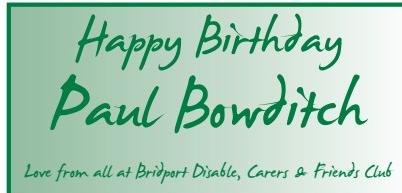

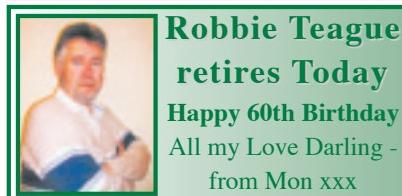

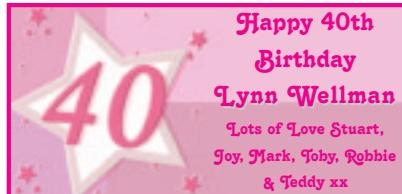

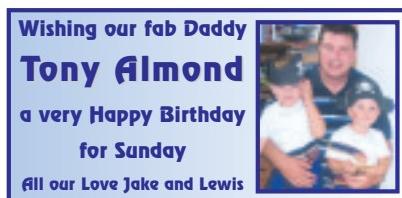

"After a short while, the attackers returned to their seats and the victim was able to alight from the bus."

The victim sustained injuries to the head and face as a result of the assault. These injuries did not require hospital treatment.

PC Gravenor continued: "I would like to speak with anyone who witnessed this cowardly assault, and anyone with information about those responsible, as soon as possible.

"I understand that the bus was fairly busy at the time of the attack and it may be that someone saw something that could help me with my investigation."

# Vibrant mural captures the spirit of Wimborne

■ VIBRANT: Terry Whitworth and Lenschen Laffin and "The Spirit of Wimborne" mural in Wimborne

A GIANT 27 metre mural designed and illustrated by Bridport artist Terry Whitworth has been put up in Wimborne High Street.

The work was commissioned by the town's Chamber of Trade, working in partnership with businesses and the town and district councils. The idea was to cover grey hoardings put up while work goes on to repair buildings damaged by fire earlier this year.

Tracy Cooper, Arts Offi-

cer for East Dorset District Council and part of the selection panel said: "The brief was to reflect the vibrancy and upbeat character of the town and to depict its architecture, landscape and social calendar of events. We had 11 submissions but Terry's design just caught everyone's eye!"

"It will lift the heart and spirit of the town. That's why we have named it 'The Spirit of Wimborne,' said Malcolm Angel, chairman of Wimborne

Chamber of Trade.

Terry Whitworth said:

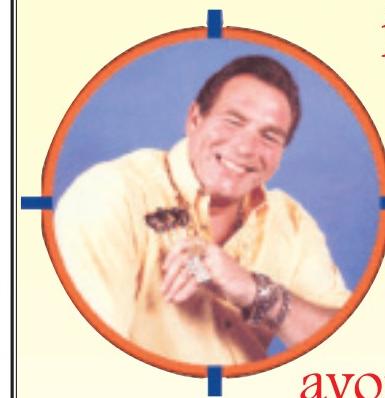

"This was a particularly interesting project to be involved with because of its scale and the fact that it needs to have an appeal to all age groups within the community. From my original sketches I produced the artwork at one-tenth scale using watercolour, inks and acrylics. This gave the finished painting texture and a luminous quality."

Lenschen Laffin, project co-ordinator of Terry

Whitworth Design added: "So it could be reproduced to the full size and replicate the original, high quality digital scans were made by us before being sent to print."

The project had to be completed within four weeks of being chosen and it will be displayed until June 2010. If you are not able to visit Wimborne to see it, there will be a page all about it on [www.terry-whitworth.co.uk](http://www.terry-whitworth.co.uk)

# Road will make Weymouth more attractive for investors

WEYMOUTH and Portland business leaders were impressed by the town's new relief road when they visited the scheme.

Mickey Jones of DJ Property and David Norman of Condor Ferries joined representatives from Weymouth and Portland council and the South West Regional Development Agency to see progress being made on the project.

The group were driven through the Ridgeway cutting to see the scale of the works and the start of the restoration of chalk grassland.

They also saw the newly constructed beams of the Manor Railway Bridge and the measures being taken in Littlemoor to protect residents from road noise.

Mr Jones said: "It was great to see that things are going so well and I am confident that we will have

a road to be proud of

open."

Weymouth and Portland economy spokesman Coun Geoff Petherick said: "I am delighted that business leaders have been to see the relief road.

"It was genuinely impressed with not only the many innovative design aspects incorporated but also the efforts that have been made to minimise the impact on the environment."

Mr Norman agreed and said: "I was really impressed with the relief road construction."

"This road will significantly improve access to Weymouth for our customers and has the potential to provide additional flexibilities for Condor Ferries in operating its services. We have been waiting a long time for this and I can't wait for it to

Weymouth and Portland area can have a tough time getting deliveries as the A353 through Poxwell and Osmington is a narrow and winding road and the A354 has a height restriction due to the railway bridge.

"There can also be problems with deliveries due to the unpredictable journey times on the A354. "The Weymouth relief road will release businesses from the stranglehold our current road system has them in and will also help attract other businesses to the area."

Other visitors to the scheme have included local schoolchildren, county and borough councillors, representatives from the Olympic Delivery Authority, South Dorset MP Jim Knight and members of Weymouth and Portland Chamber of Commerce and Portland Rotary Club.

## Effort to reduce congestion will mean dearer car parking

**by Paul Crompton**

A SERIES of measures designed to cut congestion in Weymouth's town centre by increasing car-parking charges could be implemented by next summer after councillors waved through proposals.

Members of Weymouth and Portland Borough Council's Management Committee have agreed to the radical steps to reduce congestion whilst boosting the council's coffers by an estimated £250,000 a year.

Described as "convenience charges", the plans are designed to push drivers to the outskirts of the town after a Place Survey for the Audit Commission showed 52 per cent of residents wanted to see traffic congestion reduced.

Under the proposals, which will now put out to consultation, residents will also be hit with a £20 increase in parking permit costs over the next three years.

The agreement will go some way to plugging a £700,000 funding shortfall, although any profit made from the proposals would have to be ploughed back into traffic and transport schemes.

Councillor Tim Monroe said: "The burden is going to switch from the tourist to residents who have to pay more for parking. It's been a tourist tax, now looking to move it to local residents."

However, despite believing the pay back period was to long – it will take four years to recoup the initial transfer costs – Councillor Monroe said he would be supporting the proposals.

The committee's chair, Councillor Mike Goodman, said he believed the changes would stop motorists driving around the town centre in the hope of finding free parking spaces.

"If they know there is no on-street parking without charge people will decide to park further out and walk or pay for the convenience and go to a car-park or a meter if it's more convenient for them," he said.

Edge of town parking – at the Swannery for example – will see fees reduced from £1.30 to 80p per hour, whilst drivers parking in the town centre will face a fee increase

from 80p to £1.30 per hour.

In co-operation with local access group the council have created 81 wide spaces in off street car parks over the last 12 months, taking the total number to 126 spaces.

Councillor Christine James Brief holder for Transport and Infrastructure said managing the supply and price of car parking was just one of the tools they could use to reduce congestion, with a number of policies to improve local transport and ease congestion in the Local Transport Plan.

Councillor Peter Chapman Brief holder for Finance and Assets said: "The Council is facing some hard choices if it is to continue to provide vital services to our residents. The funding shortfall is around £700,000 and the proposed move to convenience charging would make a significant contribution to meeting that figure, whilst reducing the level of traffic congestion in the town centre."

## Moves to ease Pavilion drain on resources

IMPROVEMENTS to increase the commercial and community usage of Weymouth Pavilion will go a long way towards stopping the current haemorrhaging of £100,000 a year by the facility.

Moves to incorporate the TIC, use by Weymouth College catering students and introducing further car parking charges at the site could see the Pavilion saving £180,000 within two years.

A report to Weymouth and Portland Borough Council's Management Committee heard how the initial plans addressed short term requirements but the complex's long term viability still remained linked to future investment.

The committee agreed to work on developing the resources, conditions and timescales to keep the Pavilion going, whilst also agreeing to a recommendation to look at the future sale of the complex.

The decision was summed up by Finance and Assets briefholder, Councillor Peter Chapman, who said: "We don't want to tie our options up at the moment."

The big talking point was the relocation of the TIC, which Councillor Howard Legg thought would be counter productive, given it would create more traffic through the town at a time when the council was trying to ease congestion.

However, Councillor Brendon Webster said: "If people want to go to the TIC they should bring them down to the Pavilion. We could create a one stop shop for all visitor information needs, so I think that's useful."

"There's some real advantages in having it on the peninsula. We've got a really good opportunity to do something better with this because of 2012."

It was also agreed to incur expenditure of £107,792 from the Pavilion Redevelopment reserve to pay for the required health and safety works to the building in the next two years.

A one-day conference is also set to be held for Pavilion stakeholders involving businesses, arts organisations, social enterprises operators and selected users and community groups.

THE cream of Weymouth's business community took part in their very own 'Oscars' awards night, hosted at the Moonfleet Manor Hotel by local marketing company, **thebestofweymouthandportland**.

The glittering evening, attended by double Olympic gold medallist Sarah Ayton, also marked the launch of a new marketing initiative between **thebestofweymouthandportland** and the *View from Weymouth*.

The two companies have formed a partnership to offer joint advertising packages for the business community in Weymouth and Portland.

The bestof owner Julie Wilson, who has been running the marketing company for four years and has 200 business members from the trading community, said: "It was a brilliant night with over 70 representatives from local businesses and other guests."

"We are delighted to have joined forces with the *View from Weymouth and Portland* and our members are very excited with the advertising packages we are able to provide. It is the icing on the cake."

*View from Publishing* chief executive Philip Evans commented: "It was a superb night, brilliantly organised by Julie and her membership manager, Geoff Pickett. Everyone had a great time and we are delighted to become partners with **thebestofweymouthandportland** to provide the best advertising/marketing deals for local businesses."

Highlight of the evening was an interview with Sarah Ayton, who is already preparing for the 2012 sailing Olympics in Portland, by Team Dorset's Gary Fooks, the Dorset 2012 legacy manager.

Showing off her two gold medals, she told Gary she had dreamed of becoming an Olympian from the age of six.

Certificates were presented to recommended businesses and NutriTrain Southwest was announced as the winner of the Best Health & Beauty Business 2009.

## Seasonal circuits

MEN wishing to get some fresh air after the Christmas holidays can join a charity walk as Weldmar Hospicecare Trust launches their third "Seasonal Circuit" in Weymouth.

The men only sponsored walk will proceed along the seafront to Oasis Café at Overcombe corner (six kilometres) or the more challenging 10 kilometre trek to the Riviera Hotel, Bowleaze Cove before returning to Weymouth Pavilion.

Walkers will be led along the route by Paul Moxham, who was part of the winning British team that undertook the 'Race to the North Pole' challenge in 2008.

Weldmar Hospicecare Trust's Sue Leighton said: "After the Christmas and New Year festivities a brisk walk along Weymouth seafront will help to work off the calories and provide an ideal excuse to get out into the fresh air, or you may be looking for an ideal excuse to avoid the January sales."

The walk will be started by Councillor Anne Kenwood, Mayor of Weymouth & Portland, at 10am place on Saturday, January 2nd 2010 from Weymouth Pavilion.

To register contact the Fundraising Office 01305 215315 or visit [www.weld-hospice.org.uk/seasonalcircuit](http://www.weld-hospice.org.uk/seasonalcircuit) to download a registration form.

# Trainees have flair at Hair Moda

The Christian Column

## AS I SEE IT ...

by Geoff Treleaven

"If I don't see you again, all the best for Christmas," the hairdresser said. Yet Christmas was still some way off. Perhaps he hoped for a bigger tip!

It is a great time for trade, and it never seems too early to start. Many would agree that Christmas has become very commercialised.

Beforehand, our friends tell us to have a good Christmas; and for days afterwards we are asked if we had a nice Christmas.

One year our family gave us a mobile phone and they keyed in the greeting "Happy Christmas" which was very appropriate at the time. Every time we switched on the phone, we had the same message – even in June!

We never changed this; partly because I didn't know how, but also, I liked the idea of maintaining the Christmas spirit throughout the year.

I treasure a bookmark we received from some friends. It depicts the wise men with the caption: "Wise men still seek Him". It also has the message "Greetings in the Spirit of Christmas 365 days a year".

The One born to be the Saviour of the world is for all time and all people – not just for some at Christmas!

**MANE GIRLS:** Winners of Hair Moda's first stylist competition Rochelle Reece and Jade Perry (front) with their, colleagues, and judges.

IT was a case of ready, steady, hair we go as trainees at a Weymouth salon took part in a competition to find the most creative stylist.

The employees from Hair Moda, who are currently studying their NVQs, had to create a mood board before styling, colouring and cutting their models' hair and sending them down the catwalk for the judges to view.

Winners Rochelle Reece, NVQ level two, and Jade Perry, NVQ level

three, had contrasting styles but wowed the judges with their flair for hair styling and walked off with perfume, flowers and bottles of champagne.

Trainer at Hair Moda, Lisa Wrightson said: "We do training every week on Tuesday nights, when we like to encourage the girls to use their imagination.

"We have quite a few girls here so thought it was the ideal opportunity to have a competition against each

other."

Owner Dian Sedgwick said from the trainer's point of view the enthusiasm the girls showed was the most important thing, with them all working really hard on the competition.

Judge Beckie Wood, who owns Bliss Salon, said: "I thought the standard was exceptionally high. I was impressed with how versatile the girls were and what they created was imaginative."

## A bit of Easton promise in Portland!

PORTLAND will be buzzing on Friday night when late night shoppers and visitors flock to the Easton Christmas Promise.

It is the event's fourth year and organizers Easton Business Group backed by Weymouth and Portland council and Island Community Action are hoping for a bumper success.

About 30 businesses will stay open between 5-9pm, providing festive cheer and special deals on the night.

Local food outlets will be offering seasonal specialities such as mulled wine, mince pies and hot chestnuts.

There will be Christmas craft stalls in the Commu-

nity 2000 Centre next to All Saints Church in Straits, the Jubilee Hall in Easton Square and in Easton Gardens.

The event will start with a drum parade round Easton by the sea cadets while evening entertainment includes Southill School Choir and the Second Edition Majorettes as well as

the Revive and GwellC street dancers.

Other attractions include Santa and his sleigh, face painting, a merry-go-round, raffles, a tombola and Portland fire engine while the evening will end with carol singing in the Gardens to music by the Sea Cadets.

## WEYMOUTH WEATHER WATCH

TORRENTIAL rain has drenched Weymouth in its fifth wettest November since records began in 1884.

The town was soaked by more than 166mm of rainfall, nearly double its average of 84.5mm.

Weymouth weatherman Bob Poots said: "This was an exceptional month for rainfall in Weymouth.

"The town's highest figures for November came in 1940 with 214.1mm while there were 204mm in 2002, but this year still had the fifth highest November rainfall since records began way back in 1884. We even had more than an inch of rain in just five and a half hours on November 28."

November was so wet that Weymouth only had three dry days, boosting total rainfall for the year to 706.5mm or 45.7mm above the 30-year average.

Gale force winds were recorded on 20 days while winds were so fierce on the weekend of November 14-15 that they were too strong for Mr Poots' anemometer to record.

He said: "The anemometer goes up to 90mph – well into hurricane strength winds – so the gusts that weekend were above that and may have approached 100mph."

Sunshine still managed to be just above the November average of nearly 82 hours and reached nearly 92 hours while sunshine levels for the year stand at 1,887 hours which is 174 hours above average.

Hail was noted twice on November 26.

Temperatures for the month were all well above average with the maximum up 1.5 degrees Centigrade at 13C, the average up 2.9C at 9.1C, the mean up 2.2C at 11.1C and the average sea temperature up 0.8C at 13.3C.

Unit 14 Riverside Workshops, Riverside Way (off Harbour Road) Seaton, EX12 2UE

### Advertiser's Announcement

Hi from Oliver Newton at David Gear Horticultural. I'm proud to announce the first anniversary of our successful move to new premises at 14 Riverside Workshops, Seaton. I'm always aiming to give great service and would like to thank all my customers for their continued loyalty and business.

It's the time of year when I advise all gardeners to start thinking about getting their machinery ready for Spring. It's never too early to get organised and as I service all makes why not bring your machinery in now before the Spring rush.

It's chainsaw season and I have an unmissable offer for December and January of 2 for 1 on chain sharpening – bring 2 in and I'll only charge for one – there's nothing more frustrating than getting halfway through a job and have a blunt chain so I recommend you always have a 2<sup>nd</sup> sharpened chain to hand to swap over.

As well as stocking a range of top name brands I also recognise it's a tough time for all so I now stock a great range of domestic power equipment that offers unbelievable value whilst still giving full parts back up. The petrol powered range includes: Long reach hedge trimmer – from £199; Hand held hedge trimmer – from £175; 26cc brush cutter – from £165

Leaf blower – from £139; 18" self-drive mower – from £299; 14" chainsaw – from £129, all prices include VAT at current rates.

Special winter offer - Combi system including: 26cc power unit, brush cutter attachment, long reach hedge trimmer, pole saw attachment all for just £299 inc VAT.

Don't be seduced by the big sheds and their Christmas offers – just think what'll happen if it goes wrong and remember you'll get a box and have to take the risk of assembling it yourself – I'll give you a fully working machine with the right fluids and fully tested – in short I'll give you peace of mind.

I'll be working over the Christmas period to improve our sales area and workshop so why not pop in and see what we've done.

Have a wonderful, festive season and I'm already looking forward to Spring and seeing you all again soon.

**A WOODMEAD COMMITTEE FUNDRAISER EVENT**

# Fantastic response to tree appeal

**■ FRIENDS'** Roger Genge wheels Ruby Taton, one, and Chloe Taton, five, to the trees.

A FANTASTIC community response saw more than 120 volunteers turn up to help try to break a Guinness world record.

The event organised by the Friends of Nothe Gardens in Weymouth formed part of a national attempt to try and plant a million saplings to break the record for the most trees planted in one hour.

Cold and damp conditions left organisers fearing that few people would be brave enough to turn up at the western edge of the Nothe Gardens where the event was being held.

But Friends' chairman Mary Citrine said she was "staggered" by the level of response from people keen to help plant everything from holly and hawthorn to sloe, wild cherry, wattle and elder to create an 89-metre hedge.

Councillor John Birtwistle, whose Weymouth East

by Harry Walton

ward contains the gardens said: "I think this is absolutely brilliant. To have so many people come out on such a cold morning shows the strength of support in the community for this effort."

No one was more bewildered than Weymouth and Portland parks manager Carl Dallison who said: "I just couldn't believe what I was seeing."

"To get this many people out after the weather we have been having was little short of amazing. They are all a credit to the community."

He added that the trees had been bought by the Friends using the council's nursery in Devon.

**■ WEYMOUTH** and Portland parks manager Carl Dallison organises the tree-planting volunteers.

**■ LUCY** Taton, six, carries a holly to be planted.

# Weymouth Matters

A personal View by HARRY WALTON

## Reindeer in danger!

WEYMOUTH is now decked out in all its Christmas light finery which really annoyed one little boy walking past the Fire Station roundabout at the bottom of Boot Hill.

On the roundabout were glowing renditions of several reindeer, but the boy was very angry at the risk the reindeer were running from all the passing traffic.

He told his mother: "If I was Father Christmas I wouldn't leave them there where the cars might hit them. I'd park them in the multi-storey."

A wonderful sentiment, little boy, but I think Santa might be a bit horrified at the bill for 24-hour festive parking in Weymouth for a month or so.

## Buy a local turkey

AS mentioned in an earlier column, Christmas turkeys are available now but are in short supply due to recession-reduced ordering by two major supermarket chains.

However, if mass produced turkey numbers are down then the Weymouth area remains strong in the number of free range turkeys for sale.

Mine is nicely tucked away in a freezer ready for the big day and I understand from my supplier that more people than ever are choosing to go to a farm or small private supplier for their festive bird.

I was given one word of warning. Make sure the giblets are stored frozen with the bird and not separately in the fridge to ensure no one winds up with an upset stomach.

## Please sort out this design defect in the road drainage

FIVeways has become a nightmare in the rain for drivers trying to negotiate the corner of the junction between Chickrell Road and Radipole Lane, Weymouth.

The drain there just doesn't do its job and the result is that vehicles

turning in to Radipole Lane suddenly plough into a large pond up to a foot deep.

Worse came recently when one of many cloud-bursts coincided with the rush home from school.

Traffic was busy, the road flooded and every

few seconds a car or lorry sent a wave of floodwater over the pavement where children were trying to cross, much to their angry dismay.

I'm sure there might be authority arguments about the wrong kind of leaves blocking the drain,

but there is one inescapable fact.

This site lies on the side of a gentle hill. The road rises up Radipole Lane and descends down Chickrell Road, so why does it always flood at this point?

There has to be a design defect somewhere

since gravity is clearly on the side of drainage.

Tyre pressure from turning vehicles has undoubtedly created something of a hollow, but surely this could be levelled at the same time as a better culvert was being put in.

A FORMER Weymouth woman was drawing towards the end of her holiday in Australia and she wanted to take back a present for her work boss.

She knew he liked a beer and decided to help him keep his drinks cool by buying him some insulated can sleeves decorated with three kangaroos.

Her gift was a great success and the boss promptly used them at his next barbecue.

It wasn't until a second barbecue was held that the boss's son noticed the can sleeves.

He then quietly pointed out to his father that the kangaroos on them were doing a bit more than just decorating the sleeves. They were actually having sex!

Fortunately for the woman, her boss saw the funny side of things.

## Christmas trees to rent - a great idea!

DON'T laugh. This really is a local true story about a Charminster company near Dorchester which is offering Christmas trees for rent.

The idea is so unusual yet so obvious that you wonder why no one thought of it before.

All you do is contact the company and rent your living Christmas tree in a pot for the festive season, then the company comes round and collects it later.

This environmentally friendly solution to throwing dead Christmas trees away in the New Year after they've outlived their usefulness could be a real winner.

I was chatting with shoppers and shopkeepers in Weymouth about the idea and they all loved it because the potential landfill saving must be enormous and they liked the idea of doing their bit for the environment.

Trees For Rent, which has been going less than two years, takes back the trees and keeps renting them out until too large when they are offered for corporate sale or planted out for landowners.

Anyhow, if you fancy a Christmas tree which could still have a useful life come spring then the website to log on to is [www.treesforrent.com](http://www.treesforrent.com).

## STRONG AND GREEN – FORD WINS TWO BBC TOP GEAR AWARDS

FORD has won two BBC Top Gear awards that recognise the company's prowess at extreme ends of the auto industry spectrum.

The Ford Focus RS, the fastest and the most powerful front-wheel-drive Ford ever produced in Eu-

rope, has been selected as "Muscle Car of the Year" by BBC Top Gear magazine, while Ford's lowest carbon emitting model, the 98g CO2/km Ford Fiesta ECOnetic is Top Gear's "Green Car of the Year".

In assessing the awards, the BBC Top Gear team

took into account all aspects of the vehicles. Editor, Conor McNicholas, said: "The Focus RS is nothing short of a hero. Amazing engineering in a car with huge road-presence, the RS is both massive fun and a connoisseur's choice. It's a bargain too." Commenting on the Green Car of the Year award, he said: "We're hugely impressed with the Fiesta ECOnetic. In an era where too many think going green means having a fun-lobotomy, this Ford matches spritely on road dynamics with fabulous fuel economy. There really is no compromise. Make them all like this!"

On hearing the news, Nigel Sharp, Ford of Britain's managing director, said: "We are delighted to have Ford cars recognised in two completely different categories. It confirms our technical capability and the strength in-depth of Ford's fresh and exciting model range."

The Ford Fiesta is the top selling car in the UK with almost 110,000 sales this year. The Ford Fiesta ECO- netic and the Ford Focus RS are available from £14,645 and £26,995, respectively.

# HORSE' GO LAME IN SEMI-FINAL

## All three county cup-ties washed-out

**DORSET JUNIOR CUP****ROUND THREE**

All three Dorset cup ties were postponed due to waterlogged pitches and will be rearranged for next weekend.

**CORONATION CUP SEMI-FINAL**

SOUTH Petherton are still waiting to see who they will face in Boxing Day's Coronation Cup final after the semi-final at the Davey Fort between Lyme Regis and holders Combe Reserves was postponed for the second time.

To ensure that there is no further delay, Lyme have agreed to switch venue's next weekend to Combe's sloping Slades Cross ground.

**DIVISION ONE CUP****SEMI-FINAL**

FORTON Rangers kept alive hopes of adding to their impressive tally of three Division One Cup Final triumphs with a semi-final win over visiting Ilminster Town Colts.

The game was decided by a penalty shoot-out after the teams finished all-square at 3-3 after two hours.

Rangers took an early lead courtesy of an own goal but Dan Vining levelled for the Colts before half-time. Matt Rowsell then edged the Blues ahead and Vining appeared to give Adam Whaites' side one foot in the final when he made it 3-1 soon after.

But a double from Tom Robinson forced extra-time during which the goals dried up leaving the lottery of spot-kicks. It was the hosts who held their nerve the best scoring with their first three attempts whilst Colts failed with their first three with Forton keeper Adam Smith emerging as the hero with two fine saves.

Forton will take on Netherbury in the final.

**TOMMY TABBERER CUP**  
**ROUND ONE**

THE Hinton v Drimpton tie was postponed with both teams stripped and ready to play after Drimpton voiced their concerns about holes in the pitch to referee Willie Marks who called things off.

Norton Athletic, second placed in the League table, were surprisingly taken to penalties by relegation favourites Chard United. Rodney Major gave visiting United an interval lead but Aaron Purnell levelled and the Norts squeezed home 4-3 in the shoot-out.

**ROUND ONE**

A HAT-TRICK by Shepton Beauchamp Reserves' striker Sam Murley ensured there will be no all-Crewkerne final.

Murley's triple gave the Shepton second-string a 3-0 win at Crewkerne Town Reserves despite a fine midfield display from Tigers' Dave John.

Crewkerne Rangers kept their part of the bargain by knocking out White Horse Reserves 4-2 at Wadham School.

Simon Denslow gave Rangers an eighth minute lead which Russell Oldbury cancelled out five minutes before the turnaround.

A shaky five-minute spell from the visitors after the restart effectively handed Rangers their third cup final appearance since their formation last season. Firstly Denslow capitalised on some sloppy Horse defending and then Josh Lovatt converted a penalty to put the hosts away and clear at 3-1.

Nick Pomeroy's side gave themselves a chance when James Pitcher, with a classic diving header, following good work from Paul Miners and Chris Mathews reduced the arrears. But Denslow broke away near the end to seal the win and complete yet another hat-trick, his sixth of a campaign that looks destined to end with silverware.

**DAISY HUTCHINGS CUP**  
**ROUND TWO**

GOALS from the Rowson brothers, Kev (2) and Rich gave Division One Perry Street Reserves a 3-0 win over Combe A from Division Three. The Mothers will be underdogs when they travel to Oxleaze to take on West & Middle Chinnock in Round Three. The day's other tie also went in League order with South Petherton Reserves from Division Two proving two strong Division Three promotion chasers Fivehead United and cruising home 7-2. Star of the show was Ashley Smith who netted four times in the second-half. Mark Padfield, Steve Gold and Adrian Farrell made up the hosts' final tally with goalkeeper Mark Cullen, from the penalty spot, and Rob Cooke on target for Fivehead.

**REG EGLON CUP**  
**ROUND ONE**

A FIRST ever clean sheet for Waytown Hounds formed the basis of their 3-0 victory over Hinton Reserves. After a goal less first 45 Ed Stevenson, Mike Ackerman and top-scorer Matt Read with his seventh goal in five games gave the hosts a deserved passage through to the last eight.

**PREMIER DIVISION**

THE ruthless South Petherton goal-machine rolled into Merriott Rovers' Newchester Cross Ground and purrred

home with another six goals under their belt. Despite the score line Pethy didn't have things all their own way and the first-half ended goalless.

The flood gates were open in the 50th minute by Jodie Bovey who scored his 18th of the season. Rich Hebditch added a second soon after and the points were secured by defender Mark Tierney who netted the third. Lee Richards and Danny O'Brien were also on target but perhaps the most significant goal came from Danny Rendall, who completed his long comeback after a cruciate knee ligament injury, and the sixth.

The surprise inclusion of last season's top-scorer Sam Dibling gave Charmouth an unexpected boost ahead of the game with Misterton. And Dibling, who now turns out for Axminster Town in the South-West Peninsula League, didn't disappoint as his twice put the Robins ahead in first-half that ended all-square at 2-2.

But the party couldn't last and Misterton, with Russell Hooker in fine form in the midfield engine-room, eased away to record their first win in nine outings with their goals shared amongst Jason Crabb, Johnny Jackson, Steve Martin and Paul Gold. Top-man for Charmouth was midfielder Mark Fernee.

FARWAY United's unbeaten away run was extended to seven matches following a 2-2 draw with Winsham United at Bakers Field.

The hosts squandered a great chance to grab an early advantage when Joe Langridge skewed a penalty wide and the Devonians, with James Salter netting his fourth goal in as many games, headed into the interval up.

Tom Symes levelled soon after the restart but Matt Williams restored the Farway lead.

Back came plucky Winsham and a point was earned by top-scorer Ryan Partridge who bagged his eighth of the season.

# NIGHTMARE START HITS BATTLING WEYMOUTH

## BRAINTREE TOWN 3 WEYMOUTH 2

Blue Square South, Attendance: 431

WEYMOUTH'S Blue Square South revival was derailed in a classic game of two halves at Crossing Road.

The Terras travelled to Essex full of confidence following a decent run of form under caretaker boss, Ian Hutchinson.

Hutchinson said: "A game of two halves is the right decryption. We were sloppy in the first half and gave them an easy 3-0 lead."

But hopes of that continuing were scuppered in the opening 45 minutes with the hosts racing into a three goal lead. Weymouth hit back with two goals after the break, but it was Town who hung on for the points.

"At half-time a few choice words were said by myself and assistant, Andy Mason, and the lads responded well. Too be honest, we could and probably should have gone on to win it in the end."

Braintree got the perfect start when George Purcell broke free of the Weymouth offside trap and lobbed stranded goalkeeper Ryan Harrison from 25 yards after just two minutes.

Ten minutes later Sean Marks was released in the Terras 18-yard box and rifled his shot past Harrison, only to see his effort ruled out for offside.

On 20 minutes Purcell crossed from the left flank for the unmarked Marks who headed home from close range through Harrison's hands.

Weymouth's best effort came on the half hour when Josh Llewellyn released Jake Reid who saw his shot well saved by Braintree keeper David Blackmore.

On 40 minutes Purcell shot just over from the edge of the box before adding Braintree's third on the stroke of half-time. Breaking from half-way, he raced to the edge of the visitors 18 yard box before drilling a stinging drive past Harrison to make it three for the hosts.

After the break Braintree eased off slightly, allowing the visitors into the contest.

And on 53 minutes Weymouth broke on the left, Matt Groves saw his effort come back off the bar, but Josh Llewellyn followed up to score from close range.

An unlikely comeback then looked a distinct possibility on 75 minutes when Hutchinson's men were awarded a penalty.

Lynval Duncan was adjudged to have impeded Llewellyn and Jake Reid drilled his spot kick into the bottom right corner.

The last 15 minutes saw both sides enjoy chances. On 77 minutes Matt Game saw his effort palmed over by Harrison and then Duncan headed against the bar from the resultant corner.

## ■ SPORTS NEWS IN BRIEF ■

### POINT-TO-POINT:

Point-to-point fans can start marking dates in their diaries after the 2010 fixtures were released this week.

Racing comes to Milborne St Andrew on February 14th when the South Dorset Hunt hosts its annual meeting, while Littlewindsor is the venue for the Cattistock Hunt event on March 28th.

The third and final Dorset meeting of the season is also at Littlewindsor on April 18th when the Seavington Hunt hosts a competitive card.

**SPEEDWAY:** Lakeside Hammers have signed Poole's Daniel Davidsen with Ricky Kling moving the

other way.

The move sees Davidsson link up with his brother Jonas at the Arena Essex Raceway for next season.

Davidsson will fill a reserve slot with the Hammers for the 2010 campaign, but Kling does not figure in Poole's immediate plans.

Instead, he will ride for Eastbourne next year, who have also signed former Lakeside rider Joonas Kylmäkorpi.

**ATHLETICS:** NIKKI Hamblin is making an excellent start to her New Zealand athletics career.

The former Weymouth schoolgirl went through an involved process during the summer, first to New Zealand residency, followed by cit-

izenship and then a clearance from the UK to compete for the Kiwis.

Hamblin, semi-finalist in the 1500m at the world championships in Berlin in August, recorded an impressive 2m 18.44s over 800m at the Bays middle distance meeting at Sovereign Stadium in extremely windy conditions, Jenny Hauke, paced by Hamblin, was second in 2m 19.08s.

The 21-year-old, who used to go to Wey Valley School, then turned round and paced the 3000m, which she won in 10m 52.20s.

Hamblin will next compete at the Sovereign Stadium on December 16th followed by a 3000m at Tauranga on New Year's Day.

■ 'GIRLS Go for Goal' is an exciting new initiative being launched in 2010 run jointly by Dorset County FA and the FA Skills team.

The project will support local clubs to recruit and retain girls aged from seven to nine years old, introducing them to a structured training programme of matches

and central venue festivals. Information will be sent to club secretaries and appear on www.dorsetfa.com

Clubs will be asked to commit by February 1st 2010 however by that date there is no minimum number of players needed to get involved.

If you are interested in finding out more, an open evening is being held at the Dorset FA County offices on January 21st.

# WEYMOUTH SPEEDWAY

## TERRAS' CHANGES NO THREAT TO SPEEDWAY

PHIL Bartlett has assured Wildcats fans that the recent change of ownership at Weymouth Football Club will have no effect on the town's speedway team.

George Rolls took over the Terras a fortnight ago just minutes before the club were due to go out of business.

The Wildcats race behind the *View From Stadium* on the Terras old training ground and use the stadium dressing rooms and car park facilities.

However, the track itself is owned by Wessex Delivery LLP - the company that includes among its directors, former Terras chairman, Malcolm Curtis.

Bartlett told the Speedway Star that it 'makes no difference whether the football club goes bust or runs.'

He said: "Obviously the football club has changed hands and there is a new owner in place, but it doesn't really affect us."

"Our landowner is the same and I forget how many football club chairmen I have seen come and go during my time here."

"I think it must be one or two a year - there have been more chairmen than players!"

"It doesn't make a difference to us, though. Our relationship is with Malcolm Curtis, who is the landowner, and not with the football club."

Meanwhile Bartlett will soon begin the task of team building for 2010.

And he'll have to find two new reserves following the departures to Newport of both Tim Webster and James White-Williams.

"There are plenty of riders to go round," he added, "and we always get a team. I've already spoken to a number of riders but I'm not going to start naming names."

"I've not really started team building yet because the 2009 season has only just finished. I have had a nice two-week holiday - it's good to have a break and recharge the batteries."

"The hard work will start soon enough and certainly we'll be looking for a couple of hotshot reserves."

## DORSET PREMIER LEAGUE ROUND-UP

### Blues beat rain and grab points

FOR the second week running, the weather played havoc with the Dorset Premier League fixture list, with only three games surviving along with a Dorset Senior Cup quarter final between Poole Borough and Sturminster Marshall.

One game that beat the wet was Portland United's clash with Cobham Sports at Grove Corner, where the points went the way of Stuart Heath's men, but they had to come from behind to earn them.

Mustapha Jagne put the Sports in front on the half hour but their lead was short lived as the islanders drew level with a goal from James Dailey. Both sides had chances to win it after that but neither goalkeeper was beaten until 10 minutes from time when the hosts were awarded a penalty. Up stepped Dorset Premier League representative star, Lewis Whyton, to grab all three points for the Blues.

Heath said he was delighted with his team's spirit and also paid tribute to the ground staff for getting the game on.

He said: "We need that result and we deserved it too. It was tough going a goal behind but the boys rallied round and sorted themselves out and came back superbly. It was a result we needed and a result I felt the players deserved."

We've had a rough run of fortune lately and we went 1-0 down on Saturday. The players could have dropped their heads but they rallied round each other and showed great spirit to come back and win.

"We were lucky to get the game on with so much rain, but the pitch was in perfect nick. Credit goes to the club and all those people who worked hard to make sure there was some football."

The day's biggest scorers were Wincanton Town who thrashed Sherborne Reserves 5-1 at the Terrace.

The victory, the Somerset side's fifth of the season, moved them up to 10th in the table while Sherborne remain a spot below them.

The other league game to be played saw Cranborne and Parley Sports share the spoils.

After a goalless first half, the Cranes took the lead with a penalty strike from James Antell but Sports hit back with a goal from Robbie Fox.

Meanwhile Poole Borough are through to the semi finals of the Dorset Senior Cup following a 4-1 home success over Sturminster Marshall.

## COLFOX GIRLS BATTLE HARD IN NATIONALS

THE Sir John Colfox School inter girls battled hard in the English School's Cross Country Cup at Newquay on Saturday when they took on the cream of the country over a fairly flat course with some challenging hills.

The girls qualified with Penair from Cornwall and Leweston School, Sherborne as the South-West representatives against 21 other schools from seven regions.

Knowing the importance of a good quick start, Holly Butt and Beth Letherby led the field for the first 200m before the race settled down.

At the end of the first lap Letherby had established herself in the leading pack with Anna Roberts-Wray hot on her heels, whilst Maddy Gape was running her best race yet in the middle of the field alongside Wendy Robertshaw. Butt was just behind with Alex Middleton in her first major race.

Letherby overtook several runners in the final 200m to finish a superb 12th, with Roberts-Wray also finishing strong in 41st position. Gape just pipped Robertshaw, finishing 78th and 79th respectively, to complete the team's four counters, with Butt 112th and Middleton 122nd.

The aggregate score of 210 points earned Colfox 13th position, beating Leweston by 3 points and one place.

Guildford High School for Girls were the champions with a total of just 63 points, well ahead of second placed Penair with 106 points.

Coach Andy David said: "All the girls gave it everything they had, and I was really proud of them all."

#### ST OSMOND'S CRUSADERS 12

WITH Simon Joslin missing for the home side and Chris Glover for the visitors it was difficult to predict how the teams would be affected.

Richard Trim's delayed arrival left Eddy Buck struggling in the number one spot losing his first games 0-3 and

1-3 but Gil Roberts pulled things round with two 3-1 wins leaving the home side with a narrow 8-7 lead.

Trim then showed his class with 3-0 wins over all three opponents and this inspired Buck to a 3-2 victory and Roberts won by a similar margin before taking the doubles 3-0 with Trim to secure a result which was more comfortable than it looked at one stage.

JOHN Moseley made a welcome return to action picking up serving points with his strong serving and heavy spin against the Division Two's unbeaten leaders.

Jim Saunders again played with a consistency which marks him as one of the division's top players and deserved to be pleased with his nine point maximum. David Poole added four points for the Gorge and then combined with Saunders for a 3-0 doubles win.

A very satisfying result for the home side that keeps them in the top five.

## WELCOME BOOST FOR VICKERS

## DORCHESTER TOWN 2

## HAMPTON &amp; RICHMOND 1

Blue Square South, Attendance: 427

RYAN Hill and Kyle Critchell repaid caretaker-manager Ashley Vickers' faith in signing them both, by contributing to the goals that finally overcame a dogged Hampton & Richmond side that finished with just nine men.

Hill blasted home a 65th minute equaliser before Critchell's long diagonal ball set up Matt Groves to grab the Magpies' winner nine minutes from the end, and give Vickers his first win since taking the reins two weeks ago.

Following a nondescript first half in which the visitors took the lead, it looked as if Vickers' own spirit and determination had not rubbed off on his players as the Magpies failed to conjure any clear cut chances against a side that were just above them in the league.

However they came out in the second half with a much more upbeat attitude and finally got the desserts their efforts deserved.

In addition to recalling Hill, who was cup tied and Critchell who made his debut, Vickers also promoted himself and Steve Devlin, who was also cup tied from the side that lost to Wimborne Town in the Dorset Senior Cup on Wednesday.

Hill, whose shot had been compared to a "sledgehammer" by his boss had the first chance to show his prowess with a fifth

minute 25-yard angled free kick that keeper Matt Lovett tipped over the bar.

Hampton & Richmond slowly found their way into the match and took the lead on 18 minutes with almost their first effort on goal when their skipper Dean Wells was allowed a free header from Ashley Smith's corner which gave Regan Coward no chance.

Lawrence Yaku almost added another soon after when he broke free but the covering Phil Walsh got in a tackle just as he was about to pull the trigger and the danger was averted.

A good exchange between Mark Jermyn and Critchell gave the former Terras striker an opportunity at goal from 15 yards but he drove it straight at Lovett.

Ryan Moss then let fly from 25-yards but again his shot was straight at Lovett before Hill curled a low free kick around the wall but wide of the post.

Then just before the interval Dorchester were unlucky when Lovett in trying to avoid a corner only scooped the ball back into Groves' direction. However central defender John Scarborough thwarted Moss by deflecting Groves' low cross behind for a corner as the striker pounced at the near post.

The Magpies picked up the pace after the break following Vickers' rallying dressing room talk, and Jermyn, who once again led from the front as skipper, had Lovett sprawling at his near post to keep out his drive from the right hand angle of the area,

before heading Hill's resultant corner kick wide.

Craig Tanner almost doubled the visitors' lead with a thunderous volley from 25-yards following a corner which fizzed past Coward's left hand post, before Walsh missed a great opportunity at the other end, volleying over from close range after his header from a corner was cleared off the line back to him.

Dorchester finally got the equaliser they deserved when Matt Groves was sent sprawling on the edge of the penalty area under the challenge of Scarborough as he chased down Coward's long kick.

As last man referee Cook had no hesitation in sending the big defender off and Groves spotted the ball for the penalty. To the dismay of the Dorchester players the referee gave a free kick just outside the box, but their disappointment didn't last long as Hill lashed the ball into the roof of the net before Lovett hardly had time to move.

With their confidence high and a man up Dorchester continued to pound the visitors' goal, and Jermyn had a great chance to put them ahead as he broke into the penalty area but Lovett closed him down and deflected his shot for a corner. Neil Martin then tested the keeper with a 35-yard effort that Lovett held.

Hampton & Richmond were beginning to look ragged and their frustration was complete when Wells was red carded on 79 minutes for a reckless tackle on Critchell that left the Magpie requiring treatment for an injury to his chest.

However he continued after treatment and made the visitors pay two minutes later with a long diagonal pass to pick out Jermyn running in at the far post who managed to stretch and nod the ball back into the path of Groves who swept the ball home off the inside of the far upright.

There was one last scare for the Magpies when sub David Tarpey's dangerous free kick was just headed wide by Orlando Jeffrey, before Jermyn should have scored from Groves' pull back and Ian Selley could only volley Martin's cross over the top.

■ SLEDGEHAMMER: Ryan Hill (2) blasts home Dorchester's equaliser.

## RUGBY ROUND-UP

HOPING to avoid my third wet suit in as many Saturdays, I travelled to Honiton to take in their game against New Cross and found that it had started early.

I had cause to be grateful for this however, for just after the whistle for no side, the heavens opened, but I got to my car in the nick of time. In fact, several local games fell victim to the weather, with both Chard and Honiton's second team fixtures being amongst them.

Weymouth seconds too were without a game, for their opponents, Puddletown seconds had withdrawn from the league.

## PUDDLETOWN 6pts WEYMOUTH 45pts

THIS was very much "a game of two halves" as our soccer cousins would have said. It would have come as a considerable relief to Weymouth when, just before the interval, Will Quick put Allen away and he touched down. Peplow kicked the conversion to add to his earlier penalty goal and this gave his side a half time lead of 10-6.

Weymouth had dropped an inordinate number of passes in the first period in what were very wet conditions, and the home side had prospered accordingly and, until the final minute of the half, had led 6-3.

Strong words must have been digested with the half time oranges and the hands that were coated with Teflon, exchanged for those covered with Velcro.

In any event Weymouth played very much better throughout the second period. Passes stuck and attacks flowed. Puddletown found great difficulty in coping and tries came thick and fast as the visitors scored thirty five second half points without reply and stretched away to be out of sight by the final whistle.

## FROME 2nd 6pts BRIDPORT 10pts

CONDITIONS at Frome were wet in the extreme and there was very little in the way of wind. Bridport however decided to play with the slope in the first period and really dominated the first quarter but could not score.

In fact the game was half an hour old before the first score came. The visitors won lineout possession on the Frome ten yard line and Ricky Stubbs came into the line. A gap in the Frome defence opened for the full back and he had the pace to out distance the cover and to reach the line. Everitt kicked the conversion to give his side a 7-0 lead that they held to the interval. It has to be said that the first half was a little on the feisty side as the four sin binnings, two from each side,

tended to indicate.

The referee's action seemed to quieten matters however and the contest settled down after the break.

Bridport's lead would not have been considered to be anything like sufficient however and a home penalty goal, kicked before the second half was ten minutes old, tended to reinforce this view. Fortunately for Bridport, the home side conceded a penalty in turn, straight from the restart and Everitt restored his side's seven point lead by kicking the goal.

The remainder of the game became a bit of a slog as conditions deteriorated. Frome reduced the deficit via the boot with some fifteen minutes left for play but still remained out of penalty goal range.

Bridport for their part, kept their opponents at arms length, so to speak, never allowing them to get into a scoring position as they closed the game out, something that they have not always been competent at doing in recent times.

## BRIDPORT 2nd 21pts

## ELLINGHAM &amp; RINGWOOD 25pts

BRIDPORT would have ended the game frustrated in the extreme, having been kicked to defeat and having no one to blame but themselves.

They conceded penalties like throwing confetti and the visitors' kicker goaled three in the first 15 minutes of the game to give his side a 9-0 lead.

This was increased about the end of the first quarter when his side scored a try from a lineout, after kicking another penalty award to the corner. He converted this one also and Ellingham & Ringwood were clear at 16-0 ahead. Bridport roused themselves however and, after a good three quarter move, outside centre Frampton got over. Jason Kidd added the extras and his side were back in the contest. They then reverted to type and were duly punished when their opponents kicked another penalty to lead 19-7 at the halfway stage.

The talk at half time would have contained the words "don't give penalties away" but little notice was taken. Bridport did really get right back into the contest with a try, scored and converted by skipper Kidd, but infringed immediately afterwards and conceded another three points.

They were not done however. Frampton got over for his second of the game and, with ten minutes left for play, they trailed by a single point at 21-22. They then encamped on the visitors' line for some considerable time but could not

score, eventually conceding the inevitable penalty that enabled their opponents to clear. They conceded another with a couple of minutes left, were penalised ten yards for rabbit and this further award brought the post within the place kicker's range. He duly kicked the goal that took his side out of penalty goal range.

Bridport could not respond in the couple of minutes left and lost a game during which they had proved themselves to be superior in most aspects, other than discipline.

## WIMBORNE 25pts DORCHESTER 5pts

ALTHOUGH giving as good as they got in most areas, Dorchester were given a lesson in finishing by the home side, and ended the day well beaten. Having had the better of the first quarter, Dorchester fell behind to an unconverted try during what was the home side's initial foray into their territory, conceded to them by a mix up in defence.

A penalty goal increased the home lead to eight points and, although Dorchester went back on to the attack, their efforts lacked penetration and a turnover gave Wimborne the opportunity to score a second unconverted try and they duly took a 13-0 lead in at the break.

The second half started disastrously for the visitors, with influential full back Bament sustaining an ankle injury and being carried from the field.

During the play where the injury was sustained, Wimborne again turned over possession and increased their lead with their third unconverted score of the game. A delay ensued and subsequently an ill-advised offload in the Dorchester midfield allowed Wimborne to gather the loose ball and gallop over from halfway. Their kicker converted this try to complete his side's scoring and to take them well clear.

Dorchester continued to chase what was now a lost cause however and, in the final minutes, they tapped a penalty award, sent the ball wide for Read to get in at the corner. The conversion attempt rebounded from the bar and the final whistle sounded soon after, leaving Dorchester feeling that they had, in part, contributed to their own downfall.

## PREVIEW

HAVING been faced with a pretty torrid time in the last few weeks, DORCHESTER have what should be a real respite on Saturday next. Their visitors, BRADFORD ON AVON have not managed a league win so far this season, and lie at the foot of the Southern Counties League (South) as a consequence.

## Magpies humbled by Wimborne

DORCHESTER TOWN 1  
WIMBORNE TOWN 4

ASHLEY Vickers was given a sharp reminder of the job in hand when Dorchester Town were sent spinning out of the Dorset Senior Cup by former Magpies player Alex Browne's Wimborne Town.

Vickers, in only his second game in charge as caretaker manager, was disappointed by his side's capitulation after they had given a sharp display four days earlier at Woking. He read the riot act to his side after the match and promised to address the situation for Saturday's crucial home match with Hampton & Richmond.

Goalless for over an hour, the Wessex Premier League side hit their illustrious hosts with three goals in a 17 minute salvo and added a fourth in injury time after the Magpies had pulled a goal back.

After a fairly dull and unimpressive first half, the game came alive with Phil Walsh forcing a good save from keeper Nick Hutchings, before Mark Jermyn deflected Harry Montacute's 25-yard effort onto the crossbar. However it was Scott Joyce who opened the scoring for Wimborne just before the hour with a 25-yard strike, and five minutes later James Stokoe added a second from close range. He then put the game beyond Dorchester by adding another with a smart finish.

Ryan Moss pulled one back in the last minute after being denied by the woodwork, but Joyce completed a miserable night for the Blue Square South outfit by popping up in injury time to add a fourth.

## BEES FAIL TO SHOOT DOWN SHREWS

## SHREWTON UTD 2 BRIDPORT 1

BRIDPORT manager Trevor Senior was disappointed his side didn't bring back at least a share of the spoils from their visit to Shrewton United on Saturday.

Having slipped two goals behind at the interval, the Bees battled back in the second half and were rewarded with Shane Evans goal, but despite several opportunities couldn't force an equaliser.

Having not played for a full match for a month, Bridport found themselves behind on 19 minutes when they lost the ball in midfield and Mike Brownless was given a free run on goal. He cut in from the left before drawing keeper Simon Evans and slotting home.

Six minutes before the break Carl Jones' through ball caught the Bees' defence square and the experienced Jessie Walters ran through to double the advantage.

In the second half Bridport bombarded the Shrews goal and Shane Evans pulled one back on the hour firing beyond keeper Charles Aldridge in a goalmouth scramble.

Hopes of more goals faded as first Chris Clarke missed with a free header from 6 yards and Evans missed a couple of good opportunities. Clarke then was unlucky with a 30-yard volley that dipped over the bar before Ryan Hayter slipped as he was about to shoot.

All Shrewton could muster was a shot that Simon Evans did well to turn over the bar, but they hung on to claim all three points.

## WEYMOUTH YOUTH 2

## QUEEN BEES U12S 3

QUEEN Bees conceded an early goal at Redlands but soon equalised when Sophie Northover scored from Sophie Tattershall's through ball.

Weymouth continued to apply the pressure however and despite good defending from Gaby McNamee and Nadia Shopland the home side regained the lead.

The Bees equalised when Northover cleverly curled the ball over the home keeper who had left her line, and then completed her hat trick when she slotted home a free kick from the edge of the box given for a push on Caitlin Corbett.

Manager Richard Northover was very pleased with his team's performance and the way they kept fighting until the end.

Any girls wanting to join should contact Patrick Letherby on 01308 482684.

Having lost to the three top clubs away from home, Dorchester should really look to this game to get themselves back on track (not that they have slipped too far from it). They can still have a big say in the promotion race for they have just to play the three clubs who currently lie above them at home.

They do need to win this one convincingly to get themselves back in the groove. I think they will do just that. BRIDPORT take on NORTH DORSET 2nd at the Brewery Field in an encounter that sees the first side in the Dorset & Wilts League Division One (South) play the second.

Their opponents have, like themselves, lost a couple of games this season that they really should have won. I watched the home side last week and really think they will struggle to win this one. They have a few injuries to key players and really did not play too well against a workman-like Swanage & Wareham second string.

WEYMOUTH too are at home and take on BLANDFORD whom I think they will beat after a close tussle for they are playing better than Bridport at this time.

Weymouth seconds travel to their Blandford counterparts in what is the reverse fixture, with this one being rather too close to call. Dorchester seconds too with have a tight game at South Wilts.

As for the Bridport second side, having sneaked the result against a powerful Bournemouth third a fortnight ago, a win that kept them in the top flight of their division, just, they slipped up against Saturday's opponents and lost narrowly.

They really do need to win against North Dorset thirds but, given the club's long injury list, I feel that they will be hard put to do so.

**FIXTURES** 12th December - Bridport v North Dorset 2nd (home); Bridport 2nd v North Dorset 3rd away; Chard v Taunton 2nd (away); Chard 2 v Minehead 2nd (away); Chard 3rd v Burnham on Sea 2nd (home); Chard Colts v Wellington Colts (home); Crewkerne v Taunton 3rd (home); Dorchester v Bradford on Avon (home); Dorchester 2nd v South Wilts (away); Honiton v North Tawton (away); Honiton 2nd v Kingsbridge 2nd (home); Honiton Colts v Exmouth Colts (away); Sidmouth v Hartpury College (away); Sidmouth 2nd v Exmouth 2nd (home); Sidmouth 3rd v Tiverton 3rd (away); Sidmouth Colts v Tiverton Colts (home); Weymouth v Blandford (home); Weymouth 2nd v Blandford 2nd (away).

## WEST DORSET SPORT ROUND-UP

# HORSE RACING ROUND-UP

### Weather hampers Buckler's efforts

INCESSANT rain over the past three weeks has meant that many of Bob Buckler's horses have stayed at home, and the only two who have ventured out have found the conditions underfoot too much for them.

Besides heavy going, **Sean Thornton** and jockey Nathan Sweeney had to contend with thick fog at Exeter last Tuesday; the rest of the card was abandoned after their race because of the conditions.

The 5-year-old found the going tough and whilst finishing over 30 lengths down on winner Alfie Spinner he showed spirit three from home by passing two horses on the run to the line.

**Ethiopia**, also having his fourth race, found just as testing conditions at Chepstow on Saturday and had a similar result, finishing sixth behind 11/10 favourite Silver Kate.

Buckler said: "The ground was horrendous at both tracks and both horses did well in the circumstances. They both showed promise in the way they coped and it is good experience for both of them."

The weather meant that Buckler withdrew several horses last week, and with Richard Barber's all weather gallops out of action this week whilst it is undergoing improvements, Buckler sees more declared horses unlikely to run.

Cheltenham's track seems to be better than most at coping with the bad weather and the yard has both **Clyffe Hanger** and **River Indus** set to run on Friday.

Saturday's card sees **The Sawyer** listed for the £150,000 Boyle-sports.com Gold Cup although it is unsure whether he will make the cut at the 5-day declaration.

**John's Gift** who gained his maiden victory at Wincanton a month ago, is also declared for the high class Albert Bartlett Novices Hurdle over three miles.

### Tizzard hopeful of veteran Mount Oscar

IN addition to **The Sawyer**, Dorset race fans will have another hero to cheer in Saturday's BoyleSports Gold Cup at Cheltenham.

**Mount Oscar**, trained near Sherborne by Colin Tizzard, will be bidding to become the oldest winner of the contest since Gar-nishee, in 1974.

The 10-year-old is in fine form

following his sportingbet.com Handicap Chase victory over Pasco two weeks ago and looks to have a decent chance at long odds of 16-1.

Tizzard said: "He's gone up to a mark of 140, which would give us a lovely weight. He will enjoy running over two miles and five furlongs in a really fast-run handicap."

Second to Lightning Strike in a Grade Two novice hurdle at Sandown a couple of seasons ago, Mount Oscar lost his way subsequently, but his weak-finishing ways appeared a thing of the past this season and he even displayed hitherto unseen bat-tling qualities when getting back up to deny Pasco.

Tizzard was in winning form at Folkestone last week when **En-robrium Trap** took the Anna Busbridge Memorial Handicap Chase under Tom Scudamore.

Meanwhile, Richard Mitchell, who trains at Plush near Dorchester, sent out his first winner for 271 days at Wincanton on Thurs-day.

**Delcombe** caused a 50-1 upset in the Bathwick Tyres Taunton 'National Hunt' Novices' Handicap Hurdle for Mitchell, father of The Listener's handler, Nick.

## DORCHESTER FC - EXTRA

### STACEY APPOINTED AS NEW PRESIDENT

A MAN who started supporting Dorchester Town Football Club as a teenager has just been appointed the club's new president after a lifetime raising funds for the club.

Stacey Legge started supporting the Magpies as a 16-year-old when it was reformed in 1946. The club were then in Dorset League South.

The 78-year-old has been involved in a number of aspects, particularly fundraising, over the years culminating in the appointment of the highest post in the club, suc-ceeding another stalwart Albert Miller who resigned last year.

The club joined the Western League in 1947 and Stacey joined the newly-formed supporters club and became a member of the football club committee, where he carried out car park duties.

Called up for National Service, Stacey continued to sup-port the club whenever possible and from wherever he was stationed in the Royal Navy.

Back in Civvy Street he became dance secretary in 1953 where the almost weekly dances became a regular source of income to funds.

The following year he became a voluntary construction worker helping to erect terracing at the old Avenue Stadium on which Tesco now stands. The terracing took two years to build and remained until the ground was demol-ished in the late 1990's.

In 1958 he was active in promoting the 'Lucky Six' competition, a forerunner to lotteries, and then in 1963 helped form 'The Friends of Magpies' at a time when the club was in dire financial difficulties and contemplating returning to the Dorset League.

The scheme raised considerable funds for the club, not in opposition to the supporters club efforts but in addition, the highlight being the annual Donkey Derby.

Stacey's next fundraising effort came as part of the committee responsible for the very successful weekly bingo sessions which ran until the late 70's. This was a major and successful source of income for the club, of which, following a rather lengthy legal battle they became the first organisa-tion in town to offer cash prizes under license from the Gaming Board.

This led to Stacey running the 'Moonraker' scratch card lottery, a full time job for him. With a top prize of £1000 this became a massive earner for the Magpies across the county where it was in fierce competition with Weymouth FC's 'Goldliner' lottery.

Stacey was also running the club shop, something he developed over a number of years at both the old and new grounds.

In 1978 he joined the management committee (a fore-runner to the board) and became press officer.

1980 saw Stacey meet two sporting giants in cricket commentator Brian Johnson, guest speaker at a huge centenary dinner at Brewery Sports Ground, and the late, great Bobby Moore at a celebrity lunch.

In 1987 he co-edited 'History of the Magpies' a facts and figures book about the club, and when the club moved to the new ground in 1990 became a founder director of Dorchester Town FC Ltd.

That same year he was elected to the management committee of the Southern Football League, a post he held for seven years.

You will see Stacey sat by the front door when you enter the Jewson Stadium most weeks, a very dapper and proud man, meeting and greeting people.

"I would like to pay tribute to my predecessor Albert Miller who has been such a servant to the club and someone I learned a lot from."

"I still hold shares in the club and attend most matches both home and away, and will always hold the welfare of the club as paramount!"

## HOCKEY NEWS AND REPORTS

### Beaminster keep the pressure on BEAMINSTER 4 BOURNEMOUTH 3rd 0

THE result was not a surprise; after all Bournemouth 3rd's were unable to field a full team. The surprise was that Beaminster had not put the game beyond their opponents reach by halftime, and only made the points safe in the final ten minutes when they added three goals to their single first half strike.

Beaminster visited the East Dorset town's 4th side last week with only had ten players but came away from Chapel Gate with a victory, but there was no chance they would become the victims this week though as they made the extra player count.

The victory lifts Beaminster above second place Bournemouth 3rd's who drop to fourth following this result, and leaves them poised to wrest second place from Yeovil 2nd's who meet on January 9th following the Christmas break.

Beaminster dominated proceedings and keeper Rachel Andrews was almost redundant as Bournemouth only managed to force her into two saves and won two short corners throughout the match.

However despite all their possession Beaminster only scored once in the first half after eight minutes. The ever-green Emma Davies cut in from the right before laying the ball across the goal where Megan Tuck's effort was blocked by the keeper. However the ball ran to Laura Clarke who tucked the rebound home.

With more space to work with Beaminster played some attractive hockey and it was a joy to watch following the rigours of last season when they had to defend desper-ately most weeks.

If you were to be critical it maybe that they sometimes delayed their pass a fraction longer when a quickly delivered ball would have been much more incisive, whilst at other times they were not selfish enough and moved the ball too quickly without assessing the impact, but every-one worked hard and recovered when the ball was lost.

Once again they created a host of chances but couldn't find the net with a combination of poor shooting and good keeping, and despite never really looking in any trouble of conceding, needed another goal to seal the vic-tory they deserved.

It looked liked they would never score after Davies' shot from point blank range was saved by the sprawling keeper 20 minutes into the second half, but they finally broke the Bournemouth resistance with three goals in four minutes.

With 10 minutes remaining Ali White who had a superb game in defence, particularly in the first-half when she completely shut down Bournemouth's main threat down the left wing, surged into the D following a strong run before slipping the ball to Tuck who beat the advancing keeper from an angle.

Two minutes later Jackie Gape drove home a fierce shot from the edge of the D following a short corner injection from Davies.

A minute later Gape won the ball in midfield before setting Tuck free to pick her spot as the keeper closed her down for the fourth.

■ West Dorset men's hockey club were held to a 1-1 draw at Sidmouth A but it still keeps them in second place behind North Devon in the South East Division 1 going into the Christmas break.

## DORCHESTER AMATEUR BOXING CLUB

■ NICE TO MEET YOU: Sir Henry Cooper with Ben Geyser.

### OUR HENRY WOWS BEN AND HIS PALS

MEMBERS of Dorchester Amateur Boxing Club enjoyed an encounter with Sir Henry Cooper, MBE, when he was the guest speaker recently at Dorchester Town Football Club's Sportsman night.

During the evening, the man that put Cassius Clay (later to change his name to Mohammed Ali), the greatest boxer of all time, on the seat of his pants in a non-title fight at Wembley Stadium in 1963, was greeted by one of the clubs fundraisers Rev Jeanie Chubb, and then signed an original pair of president and chief coach Ben Geyser's lace-up gloves.

The signed gloves will take pride of place in a cabinet at the new Sawmills site where a multi-purpose gym is to be built.

Sir Henry told the audience of around 200 that he had ninety amateur bouts before turning professional, and de-scribed the amateur boxing clubs as the breeding ground for the future.

■ A PROJECT between Dorchester's learning Centre and the Dorchester ABC is proving to be a great success.

The pupil referral unit caters for children who are not in mainstream school, and are at the centre for various rea-

sions including an inability to work as a team, school re-fuser's and learning difficulties.

The children involved with the project progressing well, dismissing traits of shyness and now able to cheer team mates on.

Ben Geyser said: "I get a lot of job satisfaction from these children; I see their confidence and ability improving with every lesson. The staff are highly skilled and experienced in their field, and so far the youngsters have shown a liking and an ability towards the sport.

"Let's hope that this project supporting and working with the community can continue with next year's pupils.

Ollie Cake was beaten on points when he fought local boxer Charlie Ricketts recently at the Super Tournament in Sydenham. Despite some clever defence and a flurry of fast hooks, his skills couldn't stop the big hitting southpaw tak-ing the bout.

Geyser and Pete Wiffen were pleased with Cake's perfor-mance, both noticing the crowd's positive reaction to both boxers at the end of the bout.

**TERRAS LATEST.....NEWS FROM THE VIEW FROM STADIUM**

## HUTCH LOOKING TO CAUSE AN UPSET

IAN Hutchinson is hoping to give Weymouth fans the perfect early Christmas present on Saturday.

The Terras entertain Conference Premier, Salisbury City, in the FA Trophy first round at the View From Stadium (3pm). Despite being rank outsiders to win the tie, Weymouth's boss reckons the Terras have what it takes to cause a big upset.

"It's a great draw for us," he said. "They'll be a big crowd packed in and it's going to be good playing a side from the Conference Premier. "Yes, we are the underdogs, understandably so. We're going to be up against it in every way. But we've got absolutely nothing to lose and I reckon we could cause them a few problems."

"They are a quality side, we know that. They've got some real talent within their ranks - guys like striker, Matt Tubbs, and defender, Danny Webb, who we know from his days at Weymouth. But if we get at them right from the start then who knows what might happen."

"One thing is certain, we're not afraid of them and we're really looking forward to the game. If the crowd get behind us it's going to be a fantastic atmosphere and the boys are determined to give our supporters an early Christmas present."

"If we can get past Salisbury and get another home draw then we'd be a match for anyone. But we're not silly, we

know it's going to be a big ask but we'll be giving it our all." Aside from the obvious glory, Hutchinson and his players are all too aware of what else a decent FA Trophy run stands for.

He explained: "The club are strapped for money and this is one way of generating funds. As players, the boys are well aware of their responsibilities in that department and it's something we talk about."

"Big crowds equal money in the bank and then there's the prize money to think about as well. We know how important this game is, both for the club and for the fans."

Meanwhile the manager says he hasn't given up hope of resigning former player/manager Matthew Hale, despite the left-sided defender having started training with Yate Town.

"I speak to Matt most days," he added. "And I know he's now training at Yate. But he's not signed for them in any way and I'm still hopeful he'll come and play for Weymouth again this season."

"Obviously it's been a difficult time for him and he felt it best to keep his distance for a time because he didn't want to step on mine or Andy Mason's toes. But I've told him that wouldn't be the case and so we'll see what happens in the coming weeks."
